

I would like to take this opportunity to introduce to you an exciting part of FIRE School of Ministry. Here at the school we are convinced that hands on, practical ministry experience is vital in the development of those that we are equipping to send forth into their callings. Therefore, we send out ministry teams around the country on a regular basis in order to be a blessing to churches, as well as various other ministry expressions. When you partner with us by hosting a student team, two incredible things happen! First of all you become an instant blessing and resource of development for our students. Secondly, our student ministry teams become a blessing and source of help for you and your ministry. This is a win, win situation and from our past experience, we have watched the Lord truly move in great ways as teams have traveled the country to minister the gospel in multiple settings!

The teams that we send out from our school provide various expressions of ministry including but not limited to the following:

1. Dance/Drama Ministry
2. Worship Teams
3. Preaching
4. Children/Youth Ministry
5. Outreach/Evangelism
6. Servant/Helps Ministry, etc.

Our heart is to come alongside of you and become a blessing to you and your work! Therefore, we desire to connect with your vision and allow the students to become a source of assistance in furthering what the Lord is already doing in your midst while we are with you.

I trust that you will prayerfully consider partnering with us by hosting a FIRE School of Ministry Team at your church and/or ministry. If you would like to partner with us in this way, please complete the attached FIRE Traveling Team form and return it to us via email, fax or mail. Thank you so much for your time and consideration. May God richly bless you and your ministry!

All for Jesus,

Keith Collins
